A **MOTION** was made by Kim to approve the minutes of the November 14, 2024 meeting, seconded by Shirley. Motion passed.

CITIZEN TIME

Discussion was primarily concerning around Mr. Hill's underwater fan on Wolf Lake causing a safety hazard on the lake by creating open water unnaturally. Kim asked the committee to do what research they can to be prepared for the upcoming Board meeting and would like to revisit this topic for possible future action

NEW BUSINESS

The current PC is a new committee. Therefore, the following appointments were proposed and approved:

- PC Chair - Motion was made by Rodney to elect Kim as PC Chair, seconded by Shirley. Motion Passed
- Vice Chair – Since there were 2 absent committee members, this appointment was put on hold until the next PC meeting.
- Secretary – This appointment was also put on hold until the next PC meeting. Shirley was acting Secretary for this meeting.

MEMBER COMMENTS

The topic on the "bubbler" was again brought up. The committee felt that invoking a "no bubbler" ordinance by the township could put it in a liability situation in the event a riparian's property sustained damage due to his inability to protect his seawall. Members agreed we need to continue this discussion.

NEXT MEETING - The next PC meeting is scheduled Thursday, April 10, 2025 at 6:30.

A **MOTION** was made by Shirley to adjourn, seconded by Kim. Motion passed. The meeting was adjourned at 7:10 p.m.

Respectfully submitted,
Shirley Blackler, Acting Secretary
